This time, however, the United States. As to just what the boom is based more in physical co reason for the hammering of it may ditions at the mines rather the be is in my opinion a combination prospects. Goldfield ore bodies a circumstance. No doubt at the start better known today than in 196 it was a concerted effort on the part Facts go to show that the big o of a ring of brokers to break the production of Goldfield is just star market so that they could pick up ing. I say this in face of the fa some cheap stock. It is a well-known that Goldfield has already produce fact that whenever a stock starts to over \$80,000,000, and Goldfield Co go down the public at once start to solidated Mines company alone h at the bottom and buy at the top. Extension at a few cents a share new and added wealth to the world. Daube & Co-Daube & C break a market.

the ore body had come to an end at the upraise 503D. This proved false, this that looks like a "wildcat" pro-this was false. Then it was George Wingfield who did it. He was accused of calling loans and doing the upraise offered something new look into the content of the that it was stock from the estate of a deceased broker.

The curious part of it is that these onslaughters on the market always start at a time when Charles S. Sprague is away from the market. The first raid was made at a time when he was on the train between Goldfield and San Francisco. This last time was when he was on the train from San Francisco to Denver. But one will note that from the hour of noon, when Mr. Sprague arrived in Denver, the market started up-

When a promoter gives out faine statements there is some redress. There should be a law that would
